

## Catering Design Group Press Release

CDG welcomes Antonia Diggle – February 2023

Antonia Diggle has joined Catering Design Group this month, as the new Senior Sales and Design Consultant.

Antonia has worked in the commercial catering industry for twenty years, starting out as a banquet waitress during her university studies, sparking her passion for catering and hospitality operations. Antonia then went on to her first role as a CAD Designer for a commercial catering design company, working on design projects for brands such as Malmaison Hotels, DeVere Hotels and Cameron House and eventually progressing to the role of Design Manager.

Most recently, Antonia worked for a nationwide commercial supplier who dealt mainly with contract caterers including Compass, Sodexo and Elior. As Head of Projects, her role including working on brand specifications, delivering full fit out projects and overseeing sales for the Manchester team.

Since joining CDG, Antonia has said;

“I cannot wait to get my sleeves rolled up, bringing together all the skills I have acquired over the years of working within the industry. The team have been so welcoming and supportive. CDG have their own builders / contractors which gives another aspect for the full turnkey projects, and again a new avenue to embrace. There are so many challenges within our industry at the moment for our clients, I feel we need to be on our A game in supporting guiding and advising our customer with regard sustainability and efficiency. I’m looking forward to working with independent clients on full turnkey projects where we can offer support from conception through to completion”.
